

## In Memory of Robert Prosky

1930-2008

*"Now cracks a noble heart. Good night sweet prince:  
And flights of angels sing thee to thy rest!"*

*—Hamlet (Act V, Scene II)*

Cape May has been blessed to have the presence of Robert Prosky in this community. He was an outstanding actor, true professional, and a great friend. Bob was an integral part of our Film Festival, from being the first featured speaker we've ever had (and we've hosted several other notable Hollywood favorites), through various benefits during the years, right up until this past Festival last month where we had an inaugural special recognition award in his name for one of the film selections he particularly enjoyed. Of course his son, Stefan, our Curator of Films, makes a regular impact on our audiences and especially our Young Filmmakers year after year. Bob will be missed. Our condolences go out to his entire family.
